Department Town Manager	Date 5/15/2023

Background

Issue:

Property Re-Use Evaluation Policy

Background:

The Town's Property Re-Use Committee (PRUC) was formed by Mayor Melendez to review the Town's current Town Owned Property Re-Use Evaluation Process as well as a previously proposed policy, governing the re-use and sale of Town properties, and to submit an updated draft for consideration. The PRUC recently submitted a draft policy to the Town Council. Following the submittal of the draft policy, the Mayor dissolved the Committee. The Town Council will consider adoption of the PRUC draft policy. A policy drafted by the Town Council in 2021 may also be considered.

2. Approve the 2021 Town Council draft policy.
