This communication originated from an external source and did not originate within DFWS.

Bill,

- Hope you are staying warm. I write, however, on a matter other than weather.
- As you may know, I am fortunate to win one of the five endorsements of the RTC to represent District 5 (Riverside) in the Town's Republican Town Party. Last month, however, several petitioners (Fountain, Kistler and Schnabl) collected a sufficient number of signatures to force a primary of what is now eight candidates for six seats.
- When reviewing the signatures, I was very surprised to see your name. The signatures were
  collected over a three-day period during the last week of January. I would very much appreciate
  your confirmation whether or not you were in town and signed the petition.
- Many thanks
- Best to Roz and you,

Andy
